COMMUTATIONS & NETWORKING

THE HILTON HOTEL
EAST BRUNSWICK NEW JERSEY USA

CAVELL

new jersey rendez-vous

proposed timetable

We are pleased to announce that the fifth annual AIRROC/Cavell Commutations and Networking event will be held 19th – 21st October 2009. We have moved the location of the event to The Hilton, East Brunswick, New Jersey. www.eastbrunswick.hilton.com.

The event is designed to facilitate and promote commutation discussions, collections, dispute resolutions and provide networking opportunities. In addition to this, there will be the opportunity for attendees to focus on current issues affecting live and discontinued lines portfolios. Attendees are able to hire tables in the main hall for their private use whilst they conduct their meetings. Last year saw over 400 delegates from US and European Risk Carriers, Lawyers, Consultants and Professional Advisors converge on the event for three very productive days. We expect this year's event will be equally well supported and advise you to book early to ensure a place.

Once again, we are pleased to offer you the opportunity to attend an Educational session facilitated by HB Litigation Conferences LLC giving you the opportunity to earn up to 5 CLE credits. This year, the sessions will take place all day on the Monday. Representatives of the event sponsors will make presentations and there will be a presentation over lunch as well.

For full details on the event including a delegate listing, which will enable delegates to arrange their commutation/networking meetings, please visit:
